June 7th, 2012

Dear Sir/Madam,

On behalf of National Science Council of Taiwan – representative as Science and Technology Division, Taipei Economic and Cultural Office in Hanoi, Vietnam, I have the honor to extend my best wish to you and your colleagues.

In order to further promote the cooperation in science and technology as well as to come to a closer tie between Taiwan and other countries in South East Asia Region, National Science Council of Taiwan will officially support Center for Space and Remote Sensing Research, National Central University to organize **2012 Capacity Building Workshop of Satellite Remote Sensing for Southeast Asian Scientists**. This workshop will be held from **September 13-21, 2012** at National Central University (NCU) in Jhongli, Taiwan.

It is my earnest hope that the workshop would be a good chance for young scientists or graduate students to joint and explore new knowledge and the opportunities of science and technology cooperation among the countries as well.

Interested persons should send his/her *Application form* (as attached file) and *Recommendation Letter* by **July 08, 2012**. These materials **MUST** be sent to Science & Technology Division, Taipei Economic and Cultural Office in Hanoi, Vietnam at the following address: viet01@nsc.gov.tw

The selected applicants will be granted reimbursement of a round trip airfare and accommodation.

Recruiting information and more details about this workshop, please kindly find the Poster of this workshop as attached file.

Your favorable consideration will be greatly welcome. Looking forward to hearing from you soon.

Yours Sincerely,

Mr. Kuo Fong Yew
Director of Science and Technology Division
Taipei Economic and Cultural Office in Vietnam
